# 2017 MEMBERSHIPS

## Dear Prospective Member

Thank you for considering St. Boniface Golf Club as your home away from home. Please find details of our 2017 membership categories and fees attached.

If you are looking for a challenging and affordable club to call your own, St. Boniface Golf Club is the place to be. Offering memberships to fit every type of golfer at the most affordable rates, St. Boniface Golf Club is the private club experience without the private club price.

Established in 1931, the golf course is a natural, classic par 72 course with tree-lined fairways and small undulating greens. The front nine is the more generous of the two nines, easing the golf into the more demanding back nine which is heavily treed and winds along the banks of the Seine River. With yardages ranging from 5700 yards from the forward tees to 6475 yards from the championship tees, St. Boniface Golf Club provides an enjoyable experience for golfers of all skill levels.
