

Dear St. Boniface Golf Club Corporate Partner,

We would like to thank you for a great 2022 golf season! And look forward to an even better 2023 season.

Enclosed you will find the 2023 Corporate Advertising package . We are here to help make your advertising investment at St. Boniface one that works best for you and your business.

St. Boniface Golf Club has implemented a **\$75 Course Enhancement** fee to be applied to all packages. This fee will be directly applied to the Course Maintenance expenditures and support the development and enhancement of the golf course. A course project presentation: including timeline of activity, will be presented to the membership in the early months of the 2023 season.

Once you make your decision on which option best suites your needs, if the package you choose has some golf vouchers as your option, those vouchers will be ready for pick up after April 1st, 2023 in the Administration Office.

If you have any questions regarding your corporate advertising options, please contact the Administration Office for help and clarification.
