PACE OF PLAY & FORMAT

Slow play is the #1 problem with most tournaments. The following are suggestions to help you and your tournament:

- Be ready to hit when it is your turn.
- Avoid taking excessive practice swings.
- Keep pace with the group ahead of you.
- Pace of Play should not take more than 14 minutes per hole.
- **All tournaments will play a Texas Scramble format** unless authorized by the Director of Golf Operations. This format will help the pace of play and add to the enjoyment of golfers of all skill levels.

TEXAS SCRAMBLE RULES

1. Each team will consist of four players with one designated captain.
2. Each player hits their ball with the captain selecting the best shot of the four.
3. All players then place their ball at the selected shot. All players hit, and again the best shot is selected.
4. This continues until the ball is holed out.
5. One score is kept for the team of four.

To speed up play, if your shot is in the woods or possibly lost, have another ball ready to drop at the selected spot.

Hole Contests and Sponsor Signage

Hole contest signs are available to all tournaments at no additional charge. Examples of these include:

Closest to the hole, Longest Putt, Longest Drive, Putting Contests, etc.

Hole Sponsor Signage: If signage is required on the course the signs must be labeled with the desired holes and submitted to the Pro Shop 24 hours prior to the tournament date. St. Boniface Golf Club is not responsible for sponsor signs left at the golf course after the event.

Registration Area & Tables For Golf Course

St. Boniface Golf Club is able to provide tables and chairs for a registration area. The number of tables and chairs needed must be specified before the tournament date, as we do have a limited number available if on short notice.
