

## **Student Memberships 2010**

Enclosed please find your membership information package and application for the 2010 golf season at St. Boniface Golf Club. We look forward to welcoming you as a member. Club storage with a pull cart is included in membership fees.

### **Membership Renewal**

To guarantee membership for students returning from 2009, a deadline of **March 15, 2010** has been established for receipt of membership dues and submission of your membership application. A valid student I.D. indicating full time student status must accompany all membership applications. New members will be accepted as of March 16, 2010 on a first come first served basis to fill any openings that exist.

### **New Student Memberships**

Students applying for membership for the first time may submit their application immediately and include a cheque or Visa, M/C number post dated to **March 16, 2010** for payment in full to establish a prioritized waiting list.

When it is determined if openings in the student membership category exist, applications will be processed from the waiting list. At that time, your payment will be processed. Please phone the office after March 20, 2010 to see if your application has been accepted.

**Please note that receipt of your application does not guarantee acceptance.**

### **Student Charging Privileges**

Any student wishing to establish charging privileges for food and beverage in the clubhouse or on the golf course must complete the credit application on the reverse of the application and return with a minimum deposit of \$50.00. A Visa or Mastercard number must be included on the credit application form. This will be used to clear your charging account monthly. If payment is declined for any reason, charging privileges will be suspended until the account is paid up to date. Upon signing the application, the student agrees to accept responsibility for any charges incurred.

If you have any questions, please contact the Club Office at 233 2497. Remember membership positions are limited, so get your application in early and avoid disappointment.

### **Lockers**

Unfortunately, due to a limited supply, lockers are available for Student members at the cost of \$35. Thank you for considering membership at St. Boniface Golf Club.
